Company Synopsis

PROCEED ARCHIVING SOLUTIONS

Background

Proceed Archiving Solutions (PAS) primarily develops and implements SAP data archiving projects to help control the growth of the enterprise database, reduce data storage costs and increase system performance.

The company works with all of the leading ECM software vendors to implement corporate archiving solutions for SAP Document imaging and Data Archiving, as well as e-mail archiving of Microsoft Exchange and Lotus Notes and file system archiving on shared drives.

The Proceed Group have for the last 7 years been the UK's leading SAP archiving consultancy, and in 2008 PAS was formed to concentrate on this market with a mission to continue to be UK's leading supplier of data archiving consultancy, with a core focus on SAP archiving solutions. PAS have secured alliances with all of the major Enterprise Content Management companies, such as IBM, Macro4, EMC, Saperion & Easy Software.

PAS employs only the most experienced SAP consultants, with a combined 30 years of archiving experience. Our core skills cover SAP Data and Document Archiving; SAP Basis & Legacy System Decommissioning. It is the only dedicated SAP archiving consultancy in the UK.
